To the Resident  
Road Safety Upgrade

27 August 2026

Dear Resident,

#### Notification of works

The Town would like to advise the following upcoming project:

|                     |                                           |
|---------------------|-------------------------------------------|
| Type of works:      | Road Safety Upgrade                       |
| Location:           | Alfred Road: Davies Road to Mimosa Avenue |
| Commencement date:  | Monday, 7 <sup>th</sup> September         |
| Estimated end date: | Monday, 7 <sup>th</sup> September         |

The Town is proposing road safety improvements at the intersection of Graylands Road and Alfred Road. The proposed changes include the removal of parking on the western side of Graylands Road by installing No Parking signs and new road line marking. These measures aim to improve visibility for drivers, reduce the risk of crashes, and enhance traffic flow.

Works are expected to occur between 7 am and 5pm. While it is inevitable that works of this nature will cause some inconvenience, every effort will be made to ensure that this is kept to a minimum.

While every effort will be made to commence and complete the works within the specified timeframe, the construction schedule may be subject to change due to site conditions, adverse weather, or contractor availability. Should any delays occur, updates will be provided on the Town's website. Please scan the QR code above for the latest project information and work schedule updates.

If you have any questions regarding this project or would like further information, please contact me on 0409 725 062.

Yours sincerely

Vinay Gupta  
Project Officer - Works
